HIGHLIGHTS

We are so happy to welcome May and the start of warmer weather!

We had a great turnout for Micro Wrestling! It was so much fun! I haven't laughed that hard in a long time! We also had a great Saturday night dance in April, which everyone really seemed to enjoy.

In May there is so much going on in Cheyenne! Saturday, May 4th we will have a live band; see page 5! We will be celebrating Cinco de Mayo on the 5th with a taco bar and great tequila!

On Mother's Day weekend, May 11th, we will also be having another live band – more information to come on the website and Facebook!
